A SHORT STAY with EDWINA ROBINSON { Co-founder Aje / Mr & Mrs Smith judge }

Best travel experience? My husband and I stayed at the Sextantio in Abruzzo, Italy, which had been authentically restored. The rooms themselves were only lit by candles and firelight, and there was a beautiful bath in the room which overlooked the Apennines.

Does travel influence your work? Travel has been a great source of inspiration for our Aje collections. We ventured to the Northern Territory's West MacDonnell Ranges to shoot a short film and campaign for our Resort 17/18 collection. Ultimate destination for 2017? We are desperate to go to Iceland and Africa. a-j-e.com.au
